TAE H. YOON
PRIMARY EXAMINER

The following is an examiner's statement of reasons for allowance: The prior art US Pat. 5,776,883 and EP 0 798 372 A2 teach a liquid detergent composition comprising a nonionic surfactant, but said composition comprise structured lamellar droplets (col. 2, lines 51-57 of US'883 and page 3, lines 21-26 of EP) which are different from the instant isotropic surfactant phase (see page 6 of the instant specification and page 1, lines 10-23 of EP). The examiner does not see any motivation to modify liquid detergent compositions of US'883 or EP to obtain a liquid detergent composition comprising an isotropic surfactant phase.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tae H. Yoon whose telephone number is (571) 272-1128. The examiner can normally be reached on Mon-Thu.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
